

APRIL 26, 2011 GUIDANCE UPDATES

Hello Juniors & Seniors:

Your days have been SO busy of late and there's lots more planned in the coming weeks. Please check out this calendar link <http://ths.sad44.org/guidance/downloads/calendar.pdf> for important dates.

Seniors - just a few reminders:

- 1) Please return the yellow End-Of-Year Senior Questionnaire and the Senior Survey that Mrs. Howe delivered to you this week. The info on the Questionnaire is needed for graduation press releases while the input you provide on the Survey will be taken into consideration in making THS program changes for next year.
- 2) Remember you have a May 6th deadline for submitting your remaining community service hours.
- 3) Continue to apply for scholarships.
- 4) Above all, stay focused, come to school every day and be on time with every assignment. Make it your goal to finish strong!

Juniors:

- 1) Please stop by the office and make an appointment with me to discuss your career and college plans. Together we can come up with a list of schools for you to visit this summer and next fall.
- 2) Try to complete at least 15 hours of your community service grad requirement this year so as not to leave all 45 hours to do in your senior year when there will be even more demands on your time.
- 3) Stay tuned for information about scheduling for next year, summer school options and a timeline for how to proceed with the college admissions process.

Lastly, check out these scholarship and enrichment updates.
