

MAY 5, 2008 GUIDANCE UPDATES

Hello Again Telstar:

Can you believe we're almost half way thru the final quarter of the school year? Seniors, it won't be long before you are marching down the aisle in cap and gown. 😊

Underclassmen, the 2008-2009 Master Schedule and your course requests are still being worked on. We'll have results to share with you later this month.

Discussions are also ongoing about the need for Summer School for recovery credit. As soon as we have anything definitive to share with you, we will.

In the meantime, here is what we know is scheduled for the rest of May:

- May 5th - The Navy Recruiter will be available at 10:50
- May 6th - The Air Force Recruiter will be available @ 9:00
- May 6th - From 8:00-11:30 Juniors enrolled in the College for ME program will take the ACCUPLACER
- May 12th - 30th NWEA spring testing (schedule forthcoming)
- May 13th & 14th - Telstar Challenge students off campus from 9:25-noon
- May 13th - Spring Music Concert (7 pm)
- May 15th - Telstar Challenge students off campus all day
- May 16th - Quarter 4 progress reports mailed
- May 16th - Physics students off campus for a field trip at Funtown
